CPSA General and Technical Rules

Addendum – 1st March 2016

The CPSA Board of Directors have approved the following rule changes since the publication of Booklet Number 1 dated 12th August 2015. Please ensure this addendum notification is taken into account when referring to the CPSA General and Technical rules.

Definition

Rule 1.1a (page 3)

Registered shoots must be notified in advance to the CPSA within the time limit required to achieve their inclusion in the Association's list of registered events that appears in the official fixtures section of Pull! magazine or have been detailed in the fixtures section of the CPSA website prior to the date of the event.

Regional or County championships or England selection shoots, which by default must be registered events must be notified to the CPSA within the time limit required to achieve their inclusion in the Association's list of registered events that appears in the official fixtures section of Pull! magazine or have been detailed in the fixtures section of the CPSA website for a minimum of seven days prior to the date of the event.

Tie Breakers for All Round

Rule 1.10 (page 6)

For an All Round competition the four disciplines (see rule 27) will be drawn at random by the Jury prior to the start of the competition solely as a record for Count-Back if required. The first of those disciplines drawn will be used for a shoot-off and the appropriate discipline shoot-off procedure then applied.

For All Round the Count-Back process will follow the order of the four disciplines drawn at random as above by the jury at the start of the competition.

Two Registered DTL or ESK Shoots on the same day.

Rule 1.14q (page 9)

Two registered DTL or ESK shoots can be held on the same day using the same layouts. The second shoot cannot be used for Regional Championships or County championships. Each shoot will be run as a separate event and fixture, and will have its own set of scores and winners etc. Both scores to count towards classification, but a shooter can only use one score (the first score shot) to count towards England Team selection.

Rule 21.1 (page 38) – Correction to cross references.

The datum point is referred to in Paras 18.24 and 18.25

ABT Target Distances, Angles and Elevations.

Rule 26.6 (page 53).

The trap shall be adjusted so that, in calm weather whenever possible, and with a throwing elevation of 2m (2.18yd) at 10m (10.93yd) forward of the pit, a regular target will carry 70m (76.55yd) (+ or – 1m (1.09yd)) if measured over level ground.

Rule 26.8 (page 53).

The targets shall be thrown within an area bounded by angles of 30.0° (+/- 2.5°) right and left of the imaginary centre-line drawn through the centre of the trap house and station 3. The horizontal angles will be measured from the front edge of the trap house.
